RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Office Action mailed March 21, 2002, please enter the following amendments and remarks.

In the claims:

Please replace claims 39, 62 and 63 with the following clean versions:

39. (once amended) A non-toxic composition comprising: (a) a component selected from the group consisting of biologically active protein, blood, and blood constituents; and (b) a blood product additive photosensitizer for inactivating microorganisms suitable for administration to a patient having the structure:
